Serhiy Shainyuk

Lviv, Ukraine

Summary of Qualifications

I'm open to the knowledge and latest technology, experience and everything new that makes the world a better place. I aspire to develop, desire to work and study new technologies, approaches and best practices, think critically and be universal in my knowledge. I like challenge and non-standard tasks this is my motivation. I'm insistent, attentive to details, communicable and sociable.

As a hobby i am interested in: modern HiTech technologies, popular science literature. I sing in a choir, i like active rest (cycling), cupping coffee.

Why IT, because modern life cannot be imagined without the latest technology and self-improvement.
