Serhiy Shainyuk

Lviv, Ukraine

Summary of Qualifications	

I'm open to the knowledge and latest technology, experience and everything new that makes the world a better place. I aspire to develop, desire to work and study new technologies, approaches and best practices, think critically and be universal in my knowledge. I like challenge and non-standard tasks as motivation. I'm insistent, attentive to details, have a good communication skills and problem-solving ability. Demonstrated ability to work independently and with others. Highly motivated, goal driven, innovative, curious and open minded.

As a hobby i am interested in: modern HiTech technologies, popular science literature. I sing in a choir, i like active rest (cycling, running), cupping coffee.

Why IT, because modern life cannot be imagined without the latest technology and self-improvement.
